

Pre-K French B

Dear Family,

The 'pink Party' was another great success, thanks to the contributions. Thank you for all your support. This week, we have our Fall Outing field trip scheduled on Thursday October 30, 2019. We will be going to Watkins Park. Our bus is scheduled to leave school at 9:30am and returning around 1:30 pm. This week will also introduce a new topic and last topic for this trimester (who work to help our community?) In our classroom and English class, we will talk about parents who are community helpers such as firefighters, police officers, security guards, chefs, post office workers etc... We would like to invite our parents who are community workers and also members of school our community to come tell the scholars how their role is so important in our community. Since the beginning of the school year, every Wednesday morning, scholars have been practicing mindfulness with Senora Carina, during these sessions, they learned and practiced so many good things such as, sitting well in the carpet, listening, focusing etc... she also did an assessment with all of the Pre-K 4 scholars in the beginning which helped us a lot as teachers to know the areas that need improvement. Our study of colors, shapes and letters continues. Activities will be included as well as a review of what we have studied.

As is now customary, there will be a brown party on Thursday in the class. Food contributions are always welcome.

Ms. Ada

Who work to help our community?

Le vocabulaire / Vocabulary

Review:

- Colors/shapes/letters previously studied

New:

- **community**/ communauté
- **helpers**/ aides
- **maintenance**/ entretien
