Dear Families,

My apologies for being absent last week – my son fell and had a bad accident but he came through surgery successfully and is doing well. Many thanks for your well wishes! That was very kind of you.

I understand that those who were scheduled to do show and tell last week were not able to do so while the substitute teacher was helping M. Constant (Veta May, Payton, Tymus, Olivia and Jonas), so please can you bring in it in this week, we will fit it in. My apologies.

This week are talking about how we take care of our environment. We will be reading The Lorax by Dr. Seuss and building our own truffula trees as part of a STEAM activity.

Reminder: Please label your scholar's belongings with their name, especially outerwear, gloves, and water bottles.

If you did not complete a Feedback Form from parent-teacher conference, please take a moment to do so by clicking here:
