Dear Families,

We hope you all had a wonderful weekend! We had a wonderful Red Party last week. Many thanks to those of you who brought in red healthy food.

This week, **the color of the week is ORANGE (orange)!** The shape of the week is the square. We will be centering some activities around this color and shape. **On Thursday, please send your child into school wearing the color red, if possible!** We will be having our Fete Orange (Orange Party) on Thursday afternoon, **so if you would like to provide a healthy, orange snack for our party, we would greatly appreciate it.**

This week we begin our year-long IB Unit, Play, and our first trimester-long unit, Community.

If you have not had a home visit, please contact one of your teachers. **Scholars must be picked up by 3:15 Monday – Thursday and 1:15 on Fridays.** After these times, scholars will be sent to aftercare.

Please let your teachers know if you have any questions.

Thank you,
Mme. Francoise and M. Constant.
