

Fifth Spanish

Greetings,

Our scholars had an exciting week as they used their mathematical skills to measure the volume of our classroom, applied their knowledge of similes and metaphors to create a class "Figurative Language" book, and using their research skills to understand how the US gained its territory in the 1800s.

We are extremely excited for Hard Bargain Farm next Monday. Next Friday will be an English Friday, and we will celebrate all scholars who had their birthdays between the start date of school and October 31st. Cheers to a restful weekend in preparation for our big week ahead!

Sincerely,

Virginia Ritinski, virginiar@ewstokes.org; Carlos Jolon, carlosj@ewstokes.org, Jacqueline Walker, jacquelinew@ewstokes.org; and Reginald Alston, reginalda@ewstokes.org

Important Events and Reminder
