

September 23, 2020

Dear Families,

The Elsie Whitlow Stokes Community Freedom Public Charter School is pleased to announce an expansion to our bulk food distribution program. Beginning October 12, 2020, all children in your household under age 18 are eligible for meals free of charge, whether or not they are students at Stokes School. This includes five breakfasts, five lunches, and fresh fruit and vegetable snacks for each child.

If you would like to receive meals for the non-Stokes children in your household, please fill out the form below. Please also indicate if there are any dietary restrictions. This information will be viewed and used by the kitchen management staff only, and it will be kept in confidence.

If you have questions about the program, please contact RosaP@ewstokes.org.

You may return this form:

- In person during meal pick-up at Brookland or East End
- Via email with scanned signed document to KimberlyW@ewstokes.org
- Via text with picture of signed document (202-534-0920)
