

The Stokes Banner

Week March 9th –March 13th 2020
2nd Grade

Math

- This week students identified the place value for ones, tens, and hundreds
- This week students practiced sorting numbers by greater and less than
- Students practiced adding and subtracting numbers up to 100.

Unit of Inquiry

Please begin to bring in containers for seeds to grow in for the next unit of inquiry. For example a yogurt container, plastic storage container, a margarine container and etc.

- Students reviewed the rubric for their IB projects
- Students tested their projects to see if their blueprints worked to prevent erosion
- Students reflected upon and discussed erosion prevention

Upcoming Classroom Events

Jessie Caola 2E
jessiec@ewstokes.org

Julie Leogal 2F
JulieL@ewstokes.org

Laura Funderburk 2E
Lauraf@ewstokes.org

English Language Arts

- Students learned how to identify dialogue tags
- Students learned how to identify mood and tone within a text
- Students continued to learn about homonyms
- Students finished and presented their books

Target Language Arts

French: students had their final test on the book of le loup qui faisait le tour du monde. We reviewed vocabulary, continents, landforms and specifications of each country we studied. We finished our information book and we will have our writing celebration on Wednesday March 18th.
