Stokes School Newsletter Oct. 7th -11th, 2019

Fifth Spanish

Dear Parents,

We had a very exciting week studying water quality and ecosystems at the Elizabeth Furnace Campground. Additionally, our scholars studied volume of 3-D objects, published an Opinion Piece, and reflected on our unit on "Webs of Life." This upcoming week, students will start exploring our second Unit of Inquiry on Westward Expansion and will transition into their 6-week block of Spanish Writing! Enjoy the three-day weekend!
