

# First Grade French

## Students Explored the Spark!Lab

### French Language Arts

This week in French Language Arts, we continued learning about the market (le marché). We focused on the vocabulary of fruits and vegetables.

### Units of Inquiry

This week, we continued our research into playgrounds and kids' spaces. We asked questions and learned more about schools in China. We also visited the Spark!Lab at the National Museum of American History to gather more information about kids spaces.

## Important Dates

- 12/23 – 1/3 Winter Break
- 1/6 Return to School
- 1/8 PTA Meeting
- 1/17 School-wide Spelling Bee

### Reminders

If you did not complete a Feedback Form from parent-teacher conference, please take a moment to do so by clicking here: <https://tinyurl.com/GSPTC-1Feedback>

Please label your scholar's belongings with their name, especially outerwear and water bottles.

## English Language Arts

In Reading, we practiced using our strategies for solving tricky words in our nonfiction books. In Writing, students published their first opinion pieces and began writing review. In Phonics, we are solving the case of the letter twins.

## Math

This week in math, students learned about measuring time and objects. In measuring time, they focused on the parts of the clock, and using the visual appearance of clocks to read and write familiar times. In measuring object, they used cubes, tiles and paper clips to

measure different objects in the classroom.
