### Communities

People build neighborhoods

Places and neighborhoods are developed for and by members of different communities to benefit all.

**\*Focus: Types of neighborhoods:** residential, industrial, commercial, institutional

**\*How these neighborhoods benefit people.**

**\*Neighborhoods change for various reasons.**

**\*Agencies: Students, in groups, build a city**

### Reminders

\*Please label your child's belongings.

\*As winter is here, we must all be prepared for inclement weather protocol. Announcements for closures will be available on Stokes School's website, Facebook, and Twitter. We will also announce via emergency messaging service, SendWordNow.

\*We ask that parents do not drive up Oakview Terrace and within the community.
