Math

- Students explored math materials that they will use this school year.
- Students measured the length of their name with different units of measurement.
- Students surveyed the class to figure out everyone's birthday. We graphed the birthday data as a class.
- Students practiced basic addition facts.

Unit Of Inquiry

We will work on building a strong classroom community. We will come up with classroom rules together and discuss the importance of rules in a community. Students made a friendship salad. Students discussed what kind of friends and classmates they need in the classroom to have fun, stay safe and be successful this year.

English Language Arts

Students shared their hopes and dreams for second grade. Students learned about expectations and differences between people and our own ideas on how people are different.

Students took spelling, writing and phonics assessments.

Target Language Arts

Spanish

Scholars will review the alphabet. Scholars will also write about their summer vacation.

Read aloud: "Non David" By David Shannon to introduce the rules

French

Scholars continued to work and practice routines and classroom rules.

We read several read alouds on the school topic.

- Popcorn Friday (\$1 popcorn sales led by the PTA) 1PM September 13
- Please do not drive up Oakview Terrace for drop off and please be mindful of DC traffic laws on Oakview Terrace and within the community
- Stokes School is a nut-free environment. To protect members of the Stokes community, please do not include peanut or tree nut products in lunches or snacks.
- Dismissal Procedures – Indicate time, whether from classroom or MPR, and at what time scholars are sent to aftercare if not picked up
- Reminder: Students should be bringing a LABELED reusable water bottle to school with them (per the school supply list)
