

Dear Family,

Dear parents,

Last week, we introduced a new topic which is what is waste and pollution? Where does it come from? This week, we will stay in the same topic and deepen our knowledge. Scholars will also work on a project about waste and pollution.

PK4 will also continue working on sounding letters, phonics, and recognizing numerals up to 20 using ways such as, regrouping, adding, filling missing numbers, counting and writing total amount etc.. For PK3 the study of colors, shapes, numbers and letters continues.

We have a field trip to National History Museum February 25th 2020. We will leave the school at 9:25am coming back to school around 12:45. Our class will need about four to five chaperones.

A good week to all!
Mme. Sy and Mme. Mariam
Pre-k French A

For the week of January 27th we will read the story, "Polar Bear, Polar Bear What Do You See?" to identify letters and letter sounds.
