

Pre-K French B

Dear Family,

Thank you to all the parents that helped us during the green party and your generous food contributions. It was a success.

Last week, we introduced our third color of the week, green and shape of the week triangle. The scholars did well and most of them can identify and name several objects that are green or triangle in the classroom.

This week, we are going to introduce and practice finding the color **blue**, shape rectangle. We also introduce a new letter and number. Here are some the activities that we will be practicing in class: various images coloring, ripping **blue** paper, gluing pasting painting, playing with **blue** play dough and naming foods that are **blue**.

We will also start a new theme which is Community. Our line of inquiry of the week will be "who work at school"? Scholars will continue sounding letter, writing and math as well as for the 4 years old. We will continue reviewing previous week color, shape, letters, numbers and vocabularies words. And, of course there will be a blue color party Thursday at 2:15 in our class. Food contributions are welcome.

Mme. Miloudi and Ms. Ada
Pre-K French B Teaching Team

Our Seventh week in Pre-K

Notre septième semaine

Who works at school?

Qui travaillent à l'école?

Le vocabulaire / Vocabulary
