Dear Families,

We hope you had a wonderful weekend!

This week are talking about what actions we can take to take care of the earth. If you notice them doing anything to help take care of the earth at home (turning off a light as they leave a room, using only 1 paper towel, or composting for example) do let us know! We'd love to hear about it.

We will be looking closely at compost and planting some acorns (and eventually hopefully a tree!). We will also begin our dioramas, which will represent an action we can take to take care of the earth. And we will also consider how we can reduce waste and trash, reuse and recycle.

Thank you for all the shoe boxes. You all really rallied around them and now we have enough to do our dioramas. We really appreciate it.

Reminder: Please label your scholar's belongings with their name, especially outerwear, gloves, and water bottles.

INTENT TO ENROLL TIME IS HERE. Click here to submit your form and reserve your scholar's space for next year:

Thank you,

Mme. Francoise and M. Constant.
