Week October 14-October 18, 2019
2nd Grade

Math

- Students learned how to solve addition and subtraction story problems.
- Students practiced strategies for solving addition and subtraction problems.
- Students practiced illustrating word problems in numerical form.
- We reviewed the idea of a quarter past and before an hour, why a quarter is 15 minutes.
- We have a math test Monday on addition and subtraction story problems.

Unit of Inquiry

- This week, students were introduced to our new IB unit: Who We Are. Leaders can Influence people in place and time. Scholars learned the characteristics of leadership, who are leaders in their lives, in our school. Students also compared and contrasted qualities of good and bad influence of leadership as well as the difference between a leader and a boss.
