Session 2: 7:00-7:40pm

This week in First Grade, we celebrated the beginning of the school year and the students learned and practiced our classroom routines. We read stories about resilience, kindness, and taking care of our planet. Additionally, the students shared their hopes and dreams for this year and discussed how we can work together to achieve those dreams. We are looking forward to a wonderful year with our new classroom community! Please join us at Back to School Night to learn more about our class and curriculum.
