

Important Dates

- 12/02 Welcome Back Scholars
- 12/05 Joyful Food Market
- 12/06 First Friday
- 12/18 Open House

First Friday:

Kinder French parents will provide breakfast items for parents and staff to share in the admin room on the 2nd floor, from 7:45 to 8:30 a.m.

English Language Arts

We will continue reading our Non-Fiction books, this week we will work on rereading our books to make sure we understand the context! It's important to support the skills of retelling so we can strengthen our minds when we read and try to remember all the book has taught us.

In Phonics, we will continue our Mystery of the silent E. This week we will be word detectives and look closely to find patterns in words and use the pattern to learn how to write new words.

Units of Inquiry

We are beginning our new unit!

HOW WE ORGANIZE OURSELVES

We will be talking about how communities provide safe places to learn and play for children. We will eventually introduce the concept of mapping and it's components this week and talk about different children places around the world.

Please see the unit letter for more specific information.

French Language Arts

Our second trimester begins! After building a strong vocabulary and expressions basis. We will go deeper into how to use the articles in front of a word, and syllabus to strengthen our reading foundation.

As usual, we will assimilate all of it through our centers.

Math

Our class is continuing the mathematics unit called Building Numbers and Solving Story Problems. We will be counting and comparing quantities, and addition and subtraction. Throughout this unit, students will be working toward several goals and will be assessed.
